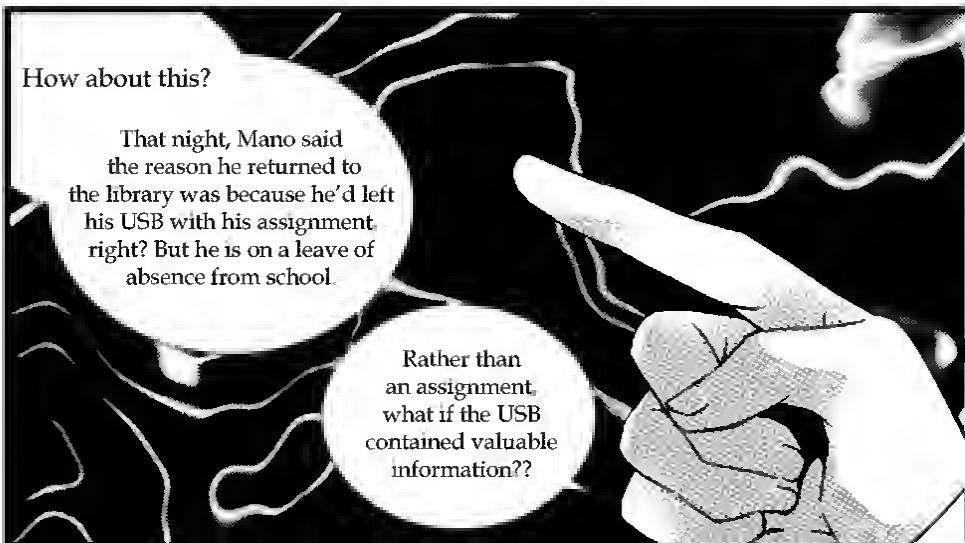
Secret ninjutsu!!
Hiding behind hair
=Mano
In the past, it would've gone...
WHISTLE
HEHE
HAHA
Oi, you should enter the cross-dressing contest
Being a freak and girly looking, you'll win for sure
COUGH
Could've said so if you don't want to
... like this, but...
Money is the Devil.
His wish is my command, be whatsoever it may, stripping or putting this on.
Ugh.
A white wig... Did he match it with my hair on purpose?
is currently lost inside the building
Anyway, where am I?

Mano is a spy?
On what grounds do you make such accus ation?
Then let me ask you this.
On what grounds do you believe it isn't him?
Just because he is your contractor?



How about this?
That night, Mano said the reason he returned to the library was because he'd left his USB with his assignment right? But he is on a leave of absence from school
Rather than an assignment what if the USB contained valuable information??

I assume you're already aware of it, having experienced it plenty of times
How easily humans betray, for the sake of their own gain.
Wow~ Look, the man over there~ Seems like it's true that the chairman has some weird hobbies.
MUR MUR
He is very handsome though
MURMUR
Oh my, oh my!
Then he's the chairman's ...!!
I'll move to some place quieter.

WHAM
...Ack!!
Chief?!!
... I'm sorry.

Mutants cannot sleep.

Be it day

I wish I could fade away into an eternal death...
TAP..

...
Um,
are you alright?
Are you hurt anywhere?
Huh, he's so cold!
...Oh no, seems like he's dead...
Well then,
PULL
Nice find♡
I'll be taking these clothes from you.
The quality of the material is good. I'll sell them and make clothes for the children

GR
AB
I'm not dead yet.
Oh my!
What a relief.

That was
our first
encounter.
Eve...

...What?
I'M M-M-M-M-M-MANO!
What the heck!!! What's with the guy x guy hug
AH, GEEZ! GET OFF ME!!
FALL
... Oh no!!

I won't let you go anymore.
…No.

Sir.
You haven't gone home yet?
Is the chairman still in?
The truth is... I'd like to resign
from acting as the chairman's double.
If you have a message for him, you can leave it with me. You should go home and rest

KLAK
I won't let go
of you again.
I will…
FORGIVE ME!!
definitely, absolutely
…protect you this time.
POW

Butted him in the same place as before
Ough..
...Mano?
Why are you dressed like that?
Huff
Have you come back to your senses now?
It's even weirder without H on, so here H goes.
FIDGET
HAHA..
...Is that so.

I see …
So I simply want to keep him by my side.
That's how it is.
Carvel …
Would you like me to butt you again? Looks like you're still a bit out of it.
It's fine.
BANG
… What was that?

I'm going to go have a look
STOMP
STOMP
Wait!!
AT LEAST WAIT FOR ME!!
Gah— This goddamn dress
CLUMSY
Now, what will his decision be?
All that's left is to wait in anticipation.
Hu Hu...
Aah~ That guy, this is why I can't stop teasing him~

KRGE...
Mr. Kim?
Why are you so late?
Mr. Chairman...
SHP
Please... escape.

...
Hoon?
THUD
What's wrong?
There's blood...

KLAK
BA NG
Mr. Chairman.
I'll gladly receive the company from you now.

After carefully observing and acting this role for five years,
rather than a child like you, *I* am more suitable as a chairman, don't you think?
I'm known as the chairman by everyone anyway....
Without you, I will then become the real thing
...Kuh
Haha...
I DID IT!!
MONEY!!
THE COMPANY!!
HAHAHAHAHA
ALL BELONG TO ME NOW!!!
...Pfft.

A jobless man on the streets you were until I provided you with an opportunity to work and live comfortably.
SHK
and you just had to bite the hand that feeds...
... How is he still alive?
This can't...
be...
CRUSH
Humans can never change their nature.

Despite possessing life, intelligence, and emotion,
humans are never satisfied,
and their greed eventually leads them to ruin.

... You monster ...
CRUNCH

Aah-
It got dirty again.
...You didn't need to kill him.
Carvel. That's where you flaw.
You're too soft.
No matter how well we treat them, to humans,
we are only monsters.

You must not
trust humans

Do not forget that...

Huff Huff...
I finally caught up!
... We'll head back now.
Where are you going this time?!
SWISH
TAP
TAP
Chair-man ...
How useless~
Eh? You're alive? I was just thinking of grinding you into mincemeat along with him.
... My apologies.
COUGH

You're like a son to me. Drink this while you work.
... How foolish.
And I'd taken quite a liking to him too... What a shame.
It is all in the past now.
Anyhow, your injury looks quite serious...
Shall I give you my blood?
I can turn you into one of us, if you'd like.

I'll have to graciously refuse.
If you do that, you won't be able to drink my blood anymore.
Just an ambulance will be fine.
The chairman is currently attending to some urgent matters.
Therefore, he is unable to send you off by himself, to his regret
Well look at you, little prinecss~
Haha
You're still miles behind, if you want to catch up to my beauty!!!
Hmph!

One more thing,
he said that those costumes were gifts from him, please *don't take them* off until you reach home
He also added that if you disobeyed, he would prepare even grander costumes for you.
I'm watching you☆
TREMBLE
TREMBLE

Look at that
Is it for a cosplay festival or something?
Check out their costumes
Maybe there's some sort of event going on.
FLASH
FLASH
FLASH
FLASH
FLASH
FLASH
... I'm so embarrassed!!
I want to wear a hood!!
CO
SY
It's been a while since I felt such over-whelming stares
Come.
Mademoiselle.

Wink
It's better to be embarrassed together than on your own right?
Now shall we, my princess?
Pff
... That's true.
TRIP

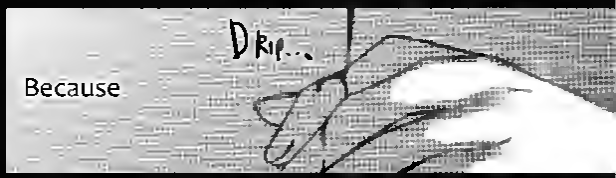
RUMBLE
... Mano being a spy, huh.
His appearance is close to a vampire, and I can't read his mind... I must say, he is well qualified for the role.
Hm-
I am leaving it to you
Since I may become biased
Does that mean you're already leaning towards one side?
Which is it?
The right... or the wrong one?
RUMBLE

He ignored me;;guu..
...Ah!
Now that I think about it
I mean...the lady in the portrait that used to be on the wall in your room.
I was surprised when I first saw Mano.
He looks so similar to her that I almost thought he was her reincarnation.
The one that passed away in the fire...
Eve.
My
one and only love.

I pray

that

it is not her.



she would
definitely

Greetings, readers. I have a lot to say this time, so please graciously read.
First of all, we are in serious need of ***cleaners*** for this series. You don't need experience, my members will train you. Next, I want a ***second English proofreader*** to assist the current one or an ***excellent final-script quality-checker***; as I don't have much free time any longer, I have become a rate-determining factor, and I determine to change that. Trust me, I want to release it faster as well. If you are interested, read our ***Join Us*** page on whatever-project.com
In addition, if you would kindly support us in buying the raw, that would be great, the ***Donate*** button is on the top-right of our web page.

Yours sincerely,
Tranquil Melancholy
